

JOYAL CAPITAL MANAGEMENT

JCM Finance, LLC helps bring first Dunkin' Donuts to Atlantic City casino!

Client Profile: Arun Mandi

Joyal Capital Management would like to congratulate Arun Mandi on successfully opening the first Dunkin' Donuts location inside an Atlantic City casino, The Resorts Casino Hotel.

The shop opened its doors to eager customers Friday, October 18th. Located in the new Quick Bites food court, Mandi, along with key organization executives, were on hand to celebrate with Dunkin' Donuts patrons. To keep pace with the round the clock entertainment that a Casino location entails, Mandi's Dunkin' Donuts will be open 24 hours a day, seven days a week.

Arun is a prominent Dunkin' Donuts Franchisee in the New Jersey area. The new location is his 25th shop in the Atlantic/Cape May counties. Over the past 24 months, Mandi has significantly upgraded his network by injecting new capital into remodeled shops and new locations.

In response to the demand for more flexible finance options for situations just like this, JCM Finance, LLC was created. Since inception, we have helped arrange over \$400 Million of new commercial loans for our clients, including Arun's most recent casino location.

Our services include:

- New development financing
- Commercial real estate debt restructure
- Franchise cash flow lending
- Acquisition financing
- Remodel loans
